Alan Armijo, Power Partners USA

At Power Partners USA, our members **INTRODUCE** each other to professionals who can provide them repeat, referral business or project collaboration.

Each member on this brochure has listed the professionals in their target market with whom they work best. Their account page contains a professional, interactive, introductory video of the member explaining his/her services and expertise. Power Partners agree to provide each other targeted introductions both inside and outside our network.

Our introduction service leads to successful business relationships and saves valuable business development time.

Power Partners USA is connecting B2B professionals in industry segments including Marketing, Finance, Real Estate, Technology, Insurance, Law and More...
