Power Partners USA works whether you do business locally, nationally or internationally.

Power Partners:

1. Are proven sources of repeat business revenue
2. Increase your market exposure
3. Are valuable business resources
4. Reduce business acquisition costs
5. Understand your profession and industry

We are a growing B2B Network

At Power Partners USA, our members INTRODUCE each other to professionals who can provide them repeat, referral business or project collaboration.

Each member on this brochure has listed professionals in their target market with whom they work best. The URL on their listing is their PPUSA account page. Their account page contains videos of the member explaining his/her services and expertise.

Power Partners agree to provide each other targeted introductions both inside and outside our network. Our introduction service leads to successful business relationships and saves valuable business development time.

Power Partners USA is connecting B2B professionals in industry categories including Marketing, Finance, Real Estate, Technology, Insurance, Law and More...
